

Cody Simpson - Not Just You

```
Intro: 2x: A D A D
Darling
           D2
I know your heart has seen better times
         Gbm
I know our songs had better rhymes
      D2
Before today, no no
Darling
         D2
I guess I made the wrong mistakes
     Gbm
I understand if you need your space
Please take your time
      Gbm
Before you go away (so far away)
You need to realize
Baby It's not just you
          Gbm D
You know it hurts me too
Watching you leave
With tears on your sleeve
Notice mine aren't exactly dry
   A D2
Baby it's not just you
     Gbm
That's hurting
D2 A D2
It's me too
```

```
Oh woah, yeah yeah
 I'm sorry
I wasn't there to catch the fall
        Gbm
I didn't hear you when you've called
            D2
All of those nights, yeah
Please don't forget the good days with me
              D2
I can the make back the heart aching beat
           Gbm
When it gets dark and it's hard to see
                D2
We'll turn on the lights
Gbm (Gbm )
Before you go away (so far away)
D2 D2
I really need you to know
Baby It's not just you
          Gbm D2
You know it hurts me too
            Gbm
Watching you leave
With tears on your sleeve
     D2
Notice mine aren't exactly dry
Baby it's not just you
     Gbm
That's hurting
It's me too.
