

Cody Simpson - Round Of Applause

Tom: C

I was going through my call log
the other day and all i saw was your name
I was thinking what im thinking
this girl got me feeling some kinda way
Cause baby i never thought i would be the one whos cuddled up
but now i see, you differently, like maybe this could be love
ooohh
Giving me cute names, yeah like that, ayye
If the call drops, I'll call her right back
Showing PDA in every way eh
I never pictured me doing this saying
Hey girl i wanna give you a round of applause
You deserve a standing ovation
cause you got me falling in love, with all the things you do
baby
Hey girl i wanna give you a round of applause
You deserve a standing ovation
Cause you got me falling in love, and im your biggest fan,
baby
I cant believe how, you got me open, like theres 25 hours in a
day,
Is it voodoo? that you use, thats got my tongue tied with no
words to say
Cause lately, we've been spending time and baby i dont care
(2x I don't)
Im in to this, whatever this is, and im not try'na share, no
no
Giving me cute names, yeah like that, ayye

If the call drops, I'll call her right back
Showing PDA in every way eh
I never pictured me doing this saying
Hey girl i wanna give you a round of applause
You deserve a standing ovation
cause you got me falling in love, with all the things you do
baby
Hey girl i wanna give you a round of applause
You deserve a standing ovation
Cause you got me falling in love, and im your biggest fan,
baby
I never thought this
could be what its
become were the
young and that its
turned into love
And I can't go on without you !!
So here we are on the bridge
Be more than just a big
mommy's girl
and fall in love
It's a story of us !!...
Hey girl i wanna give you a round of applause
You deserve a standing ovation
cause you got me falling in love, with all the things you do
baby
Hey girl i wanna give you a round of applause
You deserve a standing ovation
Cause you got me falling in love, and im your biggest fan,
baby
Yeah, you got me fallin' in love
Clapping my hands off
you got me fallin' in love
Clapping my hands (x2)
