

# Cody Simpson - So Listen

Tom: G

I've been trying to find the right words  
But they always seem to hit the page wrong  
You see I tend to fight words  
I breathe 'em into life, and they're gone  
I need some louder speaking actions  
They do what letters could never do  
You see, you are my addiction  
I need more than words to show you

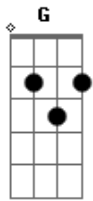

So listen to me, listen  
Listen to my heartbeat

I'd like to think you understand me  
But I never really like to assume  
So you never have to ask me

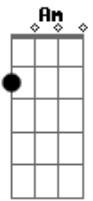

I'ma let my actions tell you the tru-hu-huth  
For you-hu-hu-hu  
There is nothing I wouldn't go through-hu-hu-hu  
And if you need some proo-hu-hu-oof  
You can find it in what I do-hu-hu-hu  
(listen to me baby) And I could tell you everyday  
Just how much I want you  
I-I-I-I I've never been good with words  
But I went and wrote this song for you

So listen to me, listen  
Listen to my heartbeat  
So listen to me, listen  
Listen to my heartbeat  
Listen to my heartbeat  
Listen to my heartbeat
