

Cody Simpson - Thotful

Tom: A

She's like a medicine to a sick mind.
 She's be a river, So flow with her if you want
 She's like a diamond to a rich man
 She'll be all you need When you've got everything and more

She'll be anything to anyone But she gives nothing back to me

She's so thotful Yeah yeah
 Thotful as she can be Aw no no no
 no She's so thotful
 But she don't ever think about me

La la la la la la la
 La la la la la la li
 She's so thotful Ah no no no no
 no But she don't ever think about me

She got her looks right from her mama's sides, All right
 Her eggs are fried But she will smile and heat your tea
 She makes you wish upon a dandelion While she
 She picks the money off your tree

She'll be anything to anyone But she gives nothing back to me

She's so thotful Yeah yeah

Thotful as she can be Aw no no no
 She's so thotful
 But she don't ever think about me
 La la la la la la la
 La la la la la la li
 She's so thotful Ah no no no no
 no But she don't ever think about me

I told her when I grow up I would be a star
 So she went down the road And pawned my guitar
 And said "stay home and don't be a fool"
 Then I see her round the corner With a you know who
 My man Big Lou, Rolls Royce, Top choice
 Got a couple houses And a whole lot of toys
 But she don't wanna play with mine
 No she don't no no no She don't wanna play with mine
 She'll be nice enough to everyone she meets
 Then she'll gut them Til they bleed

She's so thotful Yeah yeah
 Thotful as she can be Aw no no no
 no She's so thotful
 But she don't ever think about me no no no no
 no But she don't ever think about me
