

David Allan Coe - You Never Even Called Me By My Name

tom:
Intro: C
Well it was all that I could do to keep from cryin'

[Primeira Parte]

Sometimes it seemed so useless to remain
But you don't have to call me darlin', darlin'
You never even call me by my name

[Segunda Parte]

You don't have to call me Waylon Jennings
And you don't have to call me Charley Pride
And you don't have to call me Merle Haggard anymore
Even though you're on my fightin' side

[Refrão]

And I'll hang around as long as you will let me
and I never minded standing in the rain
But you don't have to call me darlin', darlin'
You never even call me by my name

[Terceira Parte]

Well I've heard my name a few times in your phonebook (hello hello)
And I've seen it on signs where I've played
But the only time I know I'll hear David Allan Coe
Is when Jesus has his final judgement day

[Refrão]

So I'll hang around as long as you will let me
and I never minded standing in the rain
But you don't have to call me darlin', darlin'
You never even call me by my name

[Ponte]

Well a friend of mine named Steve Goodman wrote that song
And he told me it was the perfect country and western song.
I wrote him back a letter and told him
It was not the perfect country and western song
Because he hadn't said anything at all about mama
Or trains or trucks or prison or gettin' drunk
Well he sat down and wrote another verse to the song
and he sent it to me and after reading it I realized
that my friend had written the perfect country and western
song.
And I felt obliged to include it on this album.
The last verse goes like this here:

[Quarta Parte]

Well I was drunk the day my mom got out of prison
And I went to pick her up in the rain
But before I could get to the station in a pickup truck
She got run'd over by a damned old train

[Refrão]

So I'll hang around as long as you will let me
and I never minded standing in the rain
But you don't have to call me darlin', darlin'
You never even call me
Well I wonder why you don't call me
Why don't you ever call me by my name?
