Intro 2x: G D Em C7M CM7 C7M CM7

Verso 1:

Boy, I see you looking over  
 You keep on looking back at what you knew  
 Will you come closer?  
 Closer to the one that's good for you

Pré-Refrão:

'Cause you're still going back to that life  
 And I refuse to stand on the side  
 By sparing her from heartache  
 Don't you know you end up hurting me?

Refrão:

I see your head spinning right around  
 She makes you fall hard and hit the ground  
 When you ever gonna let her go?  
 I see the way that she breaks you so  
 All I'm asking is for you, please, to take control and be set free  
 Make the space so we can grow, save us, before I let you go  
 Oo-wo-oh-oh, oo-wo-oh-oh

Verso 2:

So, you say this will get better  
 Better for you, her, or me?  
 Well, I don't know what to tell ya  
 It's not my fault that I don't believe

Pré-Refrão:

'Cause you're still so stuck in that life  
 And I refuse to stay on this ride  
 'Cause we're going round in circles  
 Aren't you tired of never having peace?

Refrão:

I see your head spinning right around

She makes you fall hard and hit the ground  
 When you ever gonna let her go?  
 I see the way that she breaks you so  
 All I'm asking is for you, please, to take control and be set free  
 Make the space so we can grow, save us, before I let you go

Ponte:

But I have been waiting for you to change this  
 But it has taken too long  
 So, I can't keep waiting, I've got to change this  
 It's hard for me to have to be so strong

Refrão:

I see your head spinning right around  
 She makes you fall hard and hit the ground  
 When you ever gonna let her go?  
 I see the way that she breaks you so  
 All I'm asking is for you, please, to take control and be set free  
 Make the space so we can grow, save us, before I let you go  
 I see your head spinning right around  
 She makes you fall hard and hit the ground  
 When you ever gonna let her go?  
 I see the way that she breaks you so  
 All I'm asking is for you, please, to take control and be set free  
 Make the space so we can grow, save us, before I let you go

Outro:

(Oo-wo-oh) Baby I, baby I (Oo-wo-oh-oh) Baby I, baby I (Oo-wo-oh-oh)  
 Don't wanna let you go, I don't wanna let you go  
 (Save us before I let you go)  
 (Oo-wo-oh) Baby I, baby I (Oo-wo-oh-oh) Baby I, baby I (Oo-wo-oh-oh)  
 Don't wanna let you go, I don't wanna let you go  
 Oh no, oh no  
 No, I don't ever wanna let you go.
