

# Colbie Caillat - Brighter Than The Sun

Tom: A

( A D ) (2x)

Intro 4x: A D

Stopped me on the corner, I swear you hit me like a vision

I-I-I wasn't expecting

But who am I to tell fate where it's supposed to go with it?

Don't you blink you might miss it

See we got a right to just love it or leave it, you find it and keep it

'Cause it ain't every day you get the chance to say

Refrão:

Oh, this is how it starts, lighting strikes the heart

It goes off like a gun, brighter than the sun

Oh, it could be the stars, falling from the sky

Shining how we want, brighter than the sun

( A D ) (2x)

I've never seen it, but I found this love, I wanna feed it

You better believe, I'm gonna treat it better than anything I've ever had

'Cause you're so damn beautiful

Read it, it's signed and delivered, let's seal it

Boy, we go together like peanuts and paydays, Marley and reggae

And everybody needs to get a chance to say

Refrão:

Oh, this is how it starts, lighting strikes the heart

It goes off like a gun, brighter than the sun

Oh, it could be the stars, falling from the sky

Shining how we want, brighter than the sun

Got my head up in the rafters, got me happy ever after  
Never felt this way before, ain't felt this way before

I swear you hit me like a vision

I-I-I wasn't expecting

But who am I to tell fate where it's supposed to go?

Refrão:

Oh, this is how it starts, lighting strikes the heart

It goes off like a gun, brighter than the sun

Oh, it could be the stars, falling from the sky  
Shining how we want, brighter than the sun

Oh, this is how it starts, lighting strikes the heart

It goes off like a gun, brighter than the sun

Oh, it could be the stars, falling from the sky

Shining how we want, brighter than the sun

Brighter than the sun, brighter than the sun, brighter than the sun

( A D A E )

Oh, this is how it starts, lighting strikes the heart

It goes off like a gun, brighter than the sun

Oh, this is how it starts, lighting strikes the heart

It goes off like a gun, brighter than the sun

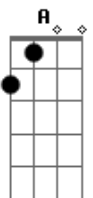

Oh, this is how it starts, lighting strikes the heart

It goes off like a gun, brighter than the sun

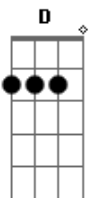

Oh, this is how it starts, lighting strikes the heart

It goes off like a gun, brighter than the sun.
