

Colbie Caillat - Feelings Show

Tom: C

Intro 2x: F G

Verso 1:

He told me
He wait here
patiently but
I wonder if
he's kidding
Well maybe he could
be serious now
Maybe not Maybe not

Because?

Refrão:

Love is crazy
Pretty baby
Take it real slow
My feelings show
All you have to do
Is never ever let it go
My feelings show
And I want you to know

Interludio: F G

Verso 2:

I'm sorry it's

taking me so long
To find out what
I'm feeling
I wonder if it
will come to me
Maybe not Maybe not
Because?
(Refrão)

My feelings show
How I want you to know

Bridge:

What I'm trying to say is that
I'm feeling a change and
I'll let it take all over
If you need time away
I won't ask you to stay
But I don't want to lose you

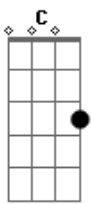

(Refrão)

Outro:

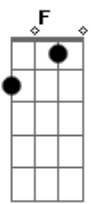

Never ever let it go
My feelings show

(Repeat Until fade out)
