

# Colbie Caillat - Just Like That

Tom: Db

(acordes na forma do tom C )  
Capostrate na 1ª casa

Dm G  
I know it's been a while  
C  
And I don't wanna do this  
Dm G C  
But I've been thinking about how we used to be, yeah

Dm G C  
Looking backward now is on the verge of stupid  
Dm  
I don't know what I was thinking  
G C  
But I know you put a hold on me, oh...

Dm G  
You stole my heart and you broke in  
C  
Started the flame I'm burning  
Dm G  
You broke me down and I gave in  
C  
Every single time you pull me in you push me out again

Refrão:

C G  
Just like that you're going for me  
Am  
Just like that  
C  
If I'd meant anything  
G Am  
You'd had never done me just like that, yes  
C G  
I'm on into just like that  
Am  
Yes I can breath, just like that  
C G Am  
So when you see me, I think you better run away fast  
C  
Some day, just like that

C G Am  
Yeah, yeah, yeah, yeah  
I'mma do you just like  
C G Am  
Yeah, yeah, yeah, yeah  
Cause I'mma do you just like

Dm G  
You say you need to talk  
C  
Because you really miss me oh oh  
Dm G

I think I'm strong enough  
C  
But who am I kidding? Oh...  
Dm G  
You own my heart and you know it  
C  
Fueled in the flame I'm burning  
Dm G  
You break me down and I give in  
C  
Every single time you pull me in you push me out again

Refrão:

C G Am  
Yeah, yeah, yeah, yeah  
C  
I'mma do you just like that  
G Am  
Yeah, yeah, yeah, yeah  
C  
I'mma do you just like that  
G Am  
Yeah, yeah, yeah, yeah (2x)  
Dm G  
I'm feeling much smarter  
C Dm  
Reset I'm never gonna fall all over again  
G  
I'm through with this  
C  
Every single time you pull me in you push me out again  
C  
Cause every single time you pull me in you push me out again  
C G  
Just like that (just like that you)  
Am  
Just like that  
C  
If I'd meant anything  
G Am  
You'd had never done me just like that, yes  
C G  
So I'mma do you just like that  
Am  
Cause I can't do it just like that  
C G Am  
So when you see me, I think you better run away fast  
C  
Cause I'mma do you just like that  
C G Am  
Yeah yeah, yeah yeah (I'mma do you just, I'mma do you just)...
