

Colbie Caillat - Just Like That

Tom: Db

(acordes na forma do tom C)
Capostrate na 1ª casa

Dm I know it's been a while
And I don't wanna do this
Dm But I've been thinking about how we used to be, yeah

Dm Looking backward now is on the verge of stupid
I don't know what I was thinking
But I know you put a hold on me, oh...

Dm You stole my heart and you broke in
Started the flame I'm burning
Dm You broke me down and I gave in
Every single time you pull me in you push me out again

Refrão:

C Just like that you're going for me
Am Just like that
If I'd meant anything
You'd had never done me just like that, yes
I'm on into just like that
Yes I can breath, just like that
So when you see me, I think you better run away fast
Some day, just like that

C Yeah, yeah, yeah, yeah
I'mma do you just like
C Yeah, yeah, yeah, yeah
Cause I'mma do you just like

Dm You say you need to talk
Because you really miss me oh oh
Dm

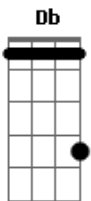

I think I'm strong enough
But who am I kidding? Oh...
Dm You own my heart and you know it
C Fueled in the flame I'm burning
Dm You break me down and I give in
C Every single time you pull me in you push me out again

Refrão:

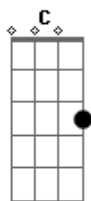

C Yeah, yeah, yeah, yeah
I'mma do you just like that
Yeah, yeah, yeah, yeah
I'mma do you just like that
Yeah, yeah, yeah, yeah (2x)
Dm I'm feeling much smarter
C Reset I'm never gonna fall all over again
I'm through with this
C Every single time you pull me in you push me out again
Cause every single time you pull me in you push me out again

C Just like that (just like that you)
Am Just like that
If I'd meant anything
You'd had never done me just like that, yes
So I'mma do you just like that
Cause I can't do it just like that
So when you see me, I think you better run away fast
Cause I'mma do you just like that
C Yeah yeah, yeah yeah (I'mma do you just, I'mma do you just)...
