(acordes na forma do tom G )  
Capo na 5ª casa  
Capo on 5th Fret

(intro) G C 4x

(verse)

Great  
Fake plastic Mistletoe

Wrap me in a great big bow

And tear me apart

It's Christmas time

So open up the flood gates

Tell me that you'll be late

And rip me apart

And rip me apart

And rip me apart

And rip me apart

(pre-Chorus)

Cause you say that, you say that things will be alright

But I've heard that, I've heard that so many times and I know that..

(chorus)

It's not Christmas if the snow don't fall

And I'm still standing here 3 feet small

Lose our troubles because after all

It's Christmas time

It's Christmas time

It's Christmas time

It's Christmas time

(verse)
