

Colbie Caillat - Never Gonna Let You Down

Tom: C

Riff 1:

C (Riff 1)
 Low, when you're feeling low
 And you just don't know where to run to
 C (Riff 1)
 Broke if your heart's been broke
 And you feel like you're all alone
 If you need something to believe in
 If you're looking for a light to guide you home
 Just look inside you light a shining brighter than you know
 You should know

Refrão

I'm never gonna let you down
 I'm always gonna build you up
 And when you're feeling lost
 I will always find you love
 I'm never gonna walk away
 I'm always gonna have your back
 And if nothing else you can always count on that

Am G C
 When you need me I promise I will never let you down

C G
 Ooh...

C (Riff 1)
 Laugh I will make you laugh
 If you ever feel like crying
 C (Riff 1)
 Close I will hold you close
 You won't be alone anymore
 If you need someone to believe in
 If you're reaching for a hand to guide you home
 Just take my hand and I won't let you go
 I hope you know

Refrão 2X

Ooh...
 Ain't never gonna let you down
 If you need something to believe in
 If you feel you've reached the end of the road
 Don't be afraid, I'll always guide you home
 You should know
