

Colbie Caillat - Rainbow

Tom: Gb

(acordes na forma do tom Eb)

Capostrate na 3ª casa

(capo 3ª casa)

I'm still feelin the rain fall bouncin' off my skin
 How long do I have to wait for the sun to shine again
 Come out and paint me a rainbow, I can follow it
 I don't know where it'll take me but I like wondering

(Bb)
 Wherever you are, where will you be
 Are you the same old dreamer out there waiting only for me

Waiting for love
 Waiting for the same old dreamer on the other side
 (Bb)
 Hoping that no matter how far I'm gonna find my way to you
 Following a rainbow, oh oh, no oh, yeah

I'm gonna stop in the middle, hang my feet off the edge
 I got no reason to worry I know I'll find the end
 That's where you'll be waiting, I hope you don't forget
 That I won't quit 'til I find you no matter the risk

(Bb)
 Wherever you are, where will you be
 Are you the same old dreamer out there waiting only for me
 Waiting for love
 Waiting for the same old dreamer on the other side
 (Bb)
 Hoping that no matter how far I'm gonna find my way to you
 Following a rainbow, oh oh, oh oh, oh oh

Stuck in my mind I'm wasting time I'm still on my own
 I never thought that I would find my way into the light
 Dreaming to find whoever you are

Where will you be
 Are you the same old dreamer on the other side waiting for me
 Waiting for love
 Waiting for the same old dreamer on the other side
 (Bb)
 Hoping that no matter how far I'm gonna find my way to you
 Following a rainbow, oh oh, oh oh, yeah yeah

Yeah yeah
 I know I'm gonna find it, I know
 I know I'm gonna find it, I know I'm gonna find it
 I'm never gonna let you go
 I know I'm gonna find you, I know I'm gonna find you
 I won't let you go

(I'm following, I'm following, I'm following a rainbow)
 I'm following a rainbow
 (I'm following, I'm following, I'm following a rainbow)
 I'm following a rainbow
 (I'm following, I'm following, I'm following the rainbow)
 I'm following a rainbow
 (I'm following, I'm following, I'm following the rainbow)
 I'm following a rainbow
