Take time to realize,
 That your warmth is. Crashing down on in.
 Take time to realize,
 That I am on your side
 Didn't I, Didn't I tell you.
 But I can't spell it out for you,
 No it's never gonna be that simple
 No I cant spell it out for you

If you just realize what I just realized,
 Then we'd be perfect for each other
 and will never find another
 Just realized what I just realized
 we'd never have to wonder if
 we missed out on each other now.

Take time to realize
 Oh oh, I'm on your side
 didn't I, didn't I tell you.
 Take time to realize
 This all can pass you by
 Didn't I tell you

But I can't spell it out for you,
 No it's never gonna be that simple
 No I cant spell it out for you
 If you just realize what I just realized,
 Then we'd be perfect for each other
 and will never find another
 Just realized what I just realized
 we'd never have to wonder if
 we missed out on each other now.

It's not always the same
 no it's never the same
 if you don't feel it to.
 If you meet me half way
 If you would meet me half way.
 It could be the same for you.

If you just realized what I just realized
 then we'd never find another
 Just realized what I just realized
 Just realized what I just realized
 missed out on each other now
