Take time to realize,
That your warmth is. Crashing down on in.
Take time to realize,
That I am on your side
Didn't I, Didn't I tell you.
But I can't spell it out for you,
No it's never gonna be that simple
No I cant spell it out for you

If you just realize what I just realized,
Then we'd be perfect for each other
and will never find another
Just realized what I just realized
we'd never have to wonder if
we missed out on each other now.

Take time to realize
Oh oh, I'm on your side
didn't I, didn't I tell you.
Take time to realize
This all can pass you by
Didn't I tell you

But I can't spell it out for you,
No it's never gonna be that simple
No I cant spell it out for you
If you just realize what I just realized,
Then we'd be perfect for each other
and will never find another
Just realized what I just realized
we'd never have to wonder if
we missed out on each other now.

It's not always the same
no it's never the same
if you don't feel it to.
If you meet me half way
If you would meet me half way.
It could be the same for you.

If you just realized what I just realized
then we'd never find another
Just realized what I just realized
Just realized what I just realized
missed out on each other now
