Twenty-five,  
All of these mixed emotions,  
G D  
Tangled up in pure confusion,  
Em C  
It's hard to let go of the past, but it seems,

Easier as time is moving,  
Em C

Em C  
And he makes you happy,  
Em C  
He sees you smiling back,

It is everlasting,

And so he's tailor made for you,  
D  
With stunning golden hues,  
C  
And one sweet tone to soothe,  
Em  
Your persistent beating heart it's just a start,  
G D

And I, have seen you everyday,  
Em  
You've never been like this before,  
C G  
He's tailor made, tailor, tailor made,

Together entwined inside this feeling,  
G D  
Feet off the ground, head hits ceiling,  
Em C  
Then he whispered in your ear,  
Em C  
He's absolutely falling,  
Em C  
The words he said are clear,  
Em C D  
So don't insist on stalling

Chorus:

Oh sister, don't be troubled,  
Em C  
Oh sister, please be calm,  
Em C  
Cause this isn't, what you're used to, at all,
