

# Colbie Caillat - You Got Me

Tom: G

(acordes na forma do tom D)  
 Capotraste na 5ª casa  
 (capo 5ª casa)

(intro) D A Bm A

D A You're stuck on me and my laughing eyes  
 Bm A I can't pretend though I try to hide  
 D A Bm A I like you, I like you

D A I think I felt my heart skip a beat  
 Bm A I'm standing here and I can hardly breathe  
 D A Bm A You got me, yeah, you got me

G D A ( A A A )  
 The way you take my hand is just so sweet  
 G D A A And that crooked smile of yours, it knocks me off my feet

D A Bm Oh, I just can't get enough  
 G How much do I need to fill me up?  
 D A Bm It feels so good it must be love

G It's everything that I've been dreaming of  
 D A I give up, I give in, I let go, let's begin  
 Bm G ( G ) 'Cause no matter what I do, oh  
 A D A My heart is filled with you

D A I can't imagine what it'd be like  
 Bm A Livin' each day in this life  
 D A Bm A Without you, without you.

G D A ( A A A )  
 One look from you, I know you understand  
 G D A A A

This mess we're in you know is just so, out of hand

D A Bm Oh, I just can't get enough  
 G How much do I need to fill me up?  
 D A Bm It feels so good it must be love  
 G It's everything that I've been dreaming of  
 D A I give up, I give in, I let go, let's begin  
 Bm G ( G ) 'Cause no matter what I do, oh  
 A D A My heart is filled with you

Em Bm A I hope we always feel this way  
 (I know we will)  
 Em Bm A And in my heart I know that you'll always stay

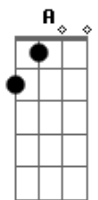

D A Bm Oh, I just can't get enough  
 G How much do I need to fill me up?  
 D A Bm G It feels so good it must be love

D A I give up, I give in, I let go, let's begin  
 Bm G 'Cause no matter what I do

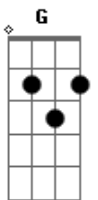

D A Bm Oh, I just can't get enough  
 G How much do I need to fill me up?  
 D A Bm It feels so good it must be love

G (It's everything that I've been dreaming of)  
 D A I give up, I give in, I let go, let's begin  
 Bm G ( G ) 'Cause no matter what I do, oh  
 A D A My heart is filled with you, oh  
 Bm G D You got me, you got me, oh  
 A Bm G Oh, you got me, you got me.
