

Coldplay - A L I E N S

Tom: C

Intro: Am C Em
Am C Em

We were just about to lose our home

Diamonds ate the radio

Moving in the dead of night

We took photographs, just some just so

History has some to know

We were moving at the speed of flight, kids cry

If you, want to, that's alright

If you, want to, hold me

Hold me tight

Just an alien

(Am C Em)
(Am C Em)

We were hovering without a home

Millions are UFO

Hovering in hope some scope tonight, sees the light and says

Fly if you, want to, that's alright

But if you, want to, call me

Em F G Em

Call this line

Just an alien

Just an alien

Oh, we just want to get home again

(Am C Em)
(Am C Em)

Tell your leader, sir or ma'am

We come in peace, we mean no harm

Somewhere out there, in the unknown

All the E.T.'s, are phoning home

Watching my life, on the skyline

Crossing your eyes, for a lifetime

Just an alien, target movement (moving target)

A patch, a corner, of the spacetime

Just an alien, turning pages (turning toward it)

Over Asia, crossing ages

Just an alien

Oh, we just want to get home again
