Intro: A warning sign

You came back to haunt me and I realised  
That you were an island and I passed you by  
And you were an island to discover

Come on in  
I've got to tell you what a state I'm in  
I've got to tell you in my loudest tones  
That I started looking for a warning sign

D Gbm  
When the truth is

A E  
I miss you

D Gbm  
Yeah the truth is

A E  
That I miss you so

D Gbm  
And I'm tired

A E E  
I should not have let you go

A G D Gbm

So I crawl back into your opening arms  
Yes I crawl back into your opening arms  
And I crawl back into your opening arms  
Yes I crawl back into your opening arms
