

# Coldplay - Always In My Head

Tom: C

Em G Bm A A Em  
 I think of you, I haven't slept  
 G Bm A A  
 I think I do, but I don't forget

Em G  
 My body moves, goes where I will  
 Bm A A  
 But though I try, my heart stays still

Em G  
 And memories just won't be left  
 Bm A A  
 So my mouth waters to be filled  
 Em G  
 And you're always in my head

Bm A A

You're always in my head  
 Em G  
 You're always in my head  
 Bm A A  
 You're always in my head  
 (Sem Capotraste)

Em G  
 You're always in my head  
 Bm A A  
 Always in my, always in my

Em G Bm  
 This I guess  
 A C Em  
 Is to tell you you're chosen out from the rest
