

Coldplay - Animals

Tom: D

Verse 1:

C7M
Animals we are,

Am Abm
Disposable, collapsable and raw,

C7M Em A7
In you go into some crowded room,

C7M
And animals that climb,

Am Abm
And they're climbing over you until you say,

C7M Em A7
"Off you go, off you go,"

Verse 2:

C7M
Animal I am,

Am Abm
And I'm looking for an answer just like you,

C7M Em A7
I should know which way to turn,

C7M
An animal that runs,

Am Abm
And I ran away from you because I'm scared,

C7M Em A7
"Off you go, off you go,"

Note: In the Chorus, Jonny play the same tabs as in the intro.

Dbm Abm
If you're gonna go, go now,

Dbm Abm
If you're gonna go, go now,

Dbm Abm
I forgot to tell you now,

Dbm Abm
So if you're gonna go,

Em Abm
Go now,

Verse 3:

C7M
Animal you are,

Am Abm
Disposable, defenceless yes and,

C7M Em A7
Watch your mouth, boys watch your mouth,

C7M

I'm an animal that runs,

Am Abm
And I made all my excuses to you,

C7M Em A7
And I missed my chance by a stones throw,
Note: Same as the first Chorus, just electric guitar. But with some
add-ons tabs at the end.

Dbm Abm
If you're gonna go, go now,

Dbm Abm
If you're gonna go, go now,

Dbm Abm
I forgot to tell you now,

Dbm Abm
So if you're gonna go,

Em Abm
Go now,

Em Abm
Go now,

Em Abm Em Abm
Go now, Go now,

Note: For electric guitar, just do the same thing as the above tabs.
