

Coldplay - Animals

Tom: D

Verse 1:

C7M
Animals we are,

Am **Abm**
Disposabile, collapsable and raw,

C7M **Em** **A7**
In you go into some crowded room,

C7M
And animals that climb,

Am **Abm**
And they're climbing over you until you say,

C7M **Em** **A7**
"Off you go, off you go,"

Verse 2:

C7M
Animal I am,

Am **Abm**
And I'm looking for an answer just like you,

C7M **Em** **A7**
I should know which way to turn,

C7M
An animal that runs,

Am **Abm**
And I ran away from you because I'm scared,

C7M **Em** **A7**
"Off you go, off you go,"

Note: In the Chorus, Jonny play the same tabs as in the intro.

Dbm **Abm**
If you're gonna go, go now,

Dbm **Abm**
If you're gonna go, go now,

Dbm **Abm**
I forgot to tell you now,

Dbm **Abm**
So if you're gonna go,

Em **Abm**
Go now,

Verse 3:

C7M
Animal you are,

Am **Abm**
Disposabile, defencelless yes and,

C7M **Em** **A7**
Watch your mouth, boys watch your mouth,

C7M

I'm an animal that runs,

Am **Abm**
And I made all my excuses to you,

C7M **Em** **A7**
And I missed my chance by a stones throw,
Note: Same as the first Chorus, just electric guitar. But with some add-ons tabs at the end.

Dbm **Abm**
If you're gonna go, go now,

Dbm **Abm**
If you're gonna go, go now,

Dbm **Abm**
I forgot to tell you now,

Dbm **Abm**
So if you're gonna go,

Em **Abm**
Go now,

Em **Abm**
Go now,

Em **Abm** **Em** **Abm**
Go now, Go now,
