tom:

Intro: **Bm** **Bm**

[Primeira Parte]

Bm
I could be you, you could be me

Two raindrops in the same sea

You could be me, I could be you

Two angles of the same view
And we share the same blood

(**Bm**)

[Segunda Parte]

Bm
Comme deux gouttes d'eau

On se ressemble

Comme provenant de la même mère

Comme deux ruisseaux (You could be me)

Qui se rassemblent (I could be you)

Pour faire les grandes rivières
And we share the same blood
Yeah, we share the same blood

(**Bm**)

[Terceira Parte]

And we share the same **Bm** **E** **Bm** blood
Yeah, we share the same **Bm** **E** **Bm** blood

Bm
Music is the weapon, music is the weapon of the future

Bm
Music is the weapon, music is the weapon of the future

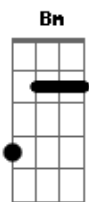

Bm
Music is the weapon, music is the weapon of the future

(**Bm** **Em** **G**)
(**Bm** **Em** **G**)

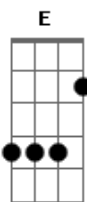

Same fucking **Bm** **Em** **G** blood

Same fucking **Bm** **Em** **G** **Gbm** blood
