

Coldplay - Army Of One

Tom: Eb
Intro: Eb Ab Eb Bb

Been around the world
 The wonders to view
 Been around the world
 Looking for someone like you
 Pyramids try
 Babylon too
 But the beautifullest treasures lie in the deepest blue
 So I never say die
 Aim never untrue
 I'm never so high as when I'm with you
 And there isn't a fire that I wouldn't walk through
 My army of one is gonna fight for you

(repete a sequência o resto da música)

Been around the world
 The universe too
 I've been around flying, baby
 It's nothing I wouldn't do
 Tanzaku stars
 Lasso the moon
 And be standing there beside you right
 When the storm comes through

 Cause I never say die
 Aim never untrue
 Never so high as when I'm with you
 And there isn't a fire
 That I wouldn't walk through
 My army of one is gonna fight for you
 My army of one is gonna fall for you, yeah

 Cause you reign
 All cause you reign
 All cause you reign
 My army of one is gonna call it through
 Saying my heart is my gun, army of one
 Yeah my heart is my gun, army of one
 It's my only weapon, army of one
 Saying my heart is my gun, army of one
