

Coldplay - Birds

Tom: C

Intro: 2x: Am F C

Am F
been standing in the corner
C
studying the lights
Am F C
the dreaming of escape will keep you up at night
Am F
but someone had put the flares up
C
and got me in the rays
Am F C
so... I guess I'd better stay
F
'uh uh no come on' you say
G
it's a fool's gold thunder
F
it's just a warring rain
G
don't let the fears just start 'what if
F
I won't see you again'
G F
around here you never want to sleep all night
G
so start falling in love, start the riot and
Am F C
come on rage with me
Am
we don't need words
F C
and we'll be birds
Am F C
got to make our own key
Am F
only got this moment
C
you and me, guilty of nothing

F
but geography
G
come on and raise it
F
come on and raise this noise
G
for the million people
F
who got not one voice
G
come on it's not over if you
F
mean it say loud
G
come on all for Love
Am F C
out from the underground, away with me
Am F C
we don't need words
Am F C
close your eyes and see
Am
and we'll be birds
F C
flying free
Am F C (solo)
holding on in the mystery
Am F C G
fearless go oh oh oh oh oh oh
Am F C G
fearless together
Am F C G
when you fly won't you
Am F C G
won't you take me too?
Am F C G
in this world so cruel
Am F C
I think you're so cool
