

Coldplay - Champion Of The World

```
tom:
Intro: G D C
   G D C
[Primeira Parte]
I tried my best to be just like C
The other boys in school
I tried my best to get it right
And died at every duel
This mountainside is suicide
This dream will never work
       G
Still the sign upon my headstone, write C
"A champion of the world"
( G D C )
[Segunda Parte]
Yeah I tried my best to stay alight C
Fly like a firework
I tried my best at taking flight \overset{\circ}{\mathsf{D}}
But my rocketship reversed
Oh, referee, don't stop the fight C
Everyone can see I'm hurt
