Coldplay - Clocks

```
A part of the cure, or am I a part of the disease? - singing
(forma dos acordes no tom de G )
Capostraste na 1ª casa
                                                                                  Fm
                                                                                           D
                                                                                                                 Em
Intro: D Am Am Em
                                                                You
                                                                                  are
                                                                                           you
                                                                                                                are
                                                                                                                 Em
                                                                                  Em
                                                                You
                                                                                  are
                                                                                                                are
                                                                                           vou
                    Αm
Lights go out and I can't be saved, tides that I tried to swim F
                                                                                             G
                                                                And nothing else compares
Brought me down upon my knees, oh I beg I beg and plead -
                                                                Oh nothing else compares
                                                                                             G
                                                                                                   FFFF
singing
                                                                And nothing else compares
                              Am
Come out of the things unsaid, shoot an apple off my head -
                                                              ( D Am Am
                                                                           Em )
                            Am
Trouble that can't be named, tigers waiting to be tamed -
                                                              ( D Am Am Em )
singing
                                                              ( D Am Am Em )
                                                    Em
 You
                                                  are
                                                              Home, home, where I wanted to go
                   are
                             you
                                                                        Am
( D Am Am Em )
                                                              Home, home, where I wanted to go
( D Am Am Em )
                                                              Home, home, where I wanted to go
                                                                    you
                                                                                            are
         Αm
Confusion never stops, closing walls and ticking clocks -
                                                                                           Fm
                                                              Home, home, where I wanted to go
                                                                   you
Come back and take you home, I could not stop that she now
                                                              ( D Am Am Em )
know - singing
                                                              (DAm Am Em)
Come out upon my seas, curse missed opportunities - am I
```
