

# Coldplay - Everything's Not Lost

tom:  
 E  
 When I'm counting up my demons  
 E Abdim Gbm6  
 Saw there was one for every day  
 E Abdim Gbm6  
 With the good ones on my shoulders  
 B E  
 I drove the other ones away  
 E Abdim Gbm6  
 So if you ever feel on neglected  
 E Abdim Gbm6  
 If you think that all is lost  
 E Abdim Gbm6  
 I'll be counting up my demons, yeah  
 B E  
 Hoping everything's not lost  
 E Abdim Gbm6  
 When you thought that it was over  
 E Abdim Gbm6  
 You could feel it all around  
 E Abdim Gbm6  
 And everybody's out to get you  
 B E  
 Don't you let it drag you down  
 E Abdim Gbm6  
 'Cause if you ever feel on neglected  
 E Abdim Gbm6  
 If you think that all is lost  
 E Abdim Gbm6  
 I'll be counting up my demons, yeah  
 B E  
 Hoping everything's not lost  
 E Abdim Gbm6  
 So if you ever feel on neglected  
 E Abdim Gbm6  
 If you think that all is lost  
 E Abdim Gbm6  
 I'll be counting up my demons, yeah  
 B E  
 Hoping everything's not lost  
 E  
 And singing it out  
 Oh oh oh, yeah  
 E

Oh oh, yeah  
 E  
 Oh oh, yeah  
 E E  
 And everything's not lost  
 So come on yeah  
 E  
 Oh oh, yeah  
 E  
 Come on yeah  
 E E  
 And everything's not lost  
 Oh oh oh, yeah  
 E  
 Oh oh, yeah  
 E  
 Oh oh, yeah  
 E E  
 And everything's not lost  
 So come on yeah  
 E  
 Oh oh, yeah

 Come on yeah  
 E E  
 And everything's not lost  
 Oh oh oh, yeah  
 E  
 Oh oh, yeah  
 E  
 Oh oh, yeah  
 E E  
 And everything's not lost  
 So come on yeah  
 E

 And everything's not lost  
 So come on yeah
