Coldplay - Fix You

Tom: Eb

```
   Eb                    Eb7        Cm     Bb
When you try your best but you don't succeed
Eb                    Eb7        Cm     Bb
When you get what you want but not what you need
Eb                    Eb7        Cm     Bb
When you feel so tired but you can't sleep
Eb                    Eb7        Cm     Bb
Stuck in reverse

Eb                    Eb7        Cm     Bb
And the tears come streaming down your face
When you lose something you can't replace
When you love someone but it goes to waste
Could it be worse?

Ab          Bb
Lights will guide you home
Ab    Bb
And ignite your bones
Ab          Bb
And I will try to fix you

( Eb Eb7 Cm Bb ) (2x)

And high up above and down below
When you're too in love to let it go
But if you never try you'll never know
Just what you're worth

Lights will guide you home
And ignite your bones
```

```
I will try to fix you

( Eb Ab Eb Bb ) (4x)
