

# Coldplay - Flags

tom:

G

[Primeira Parte]

Talk amongst the skeletons this morning  
 Aside from all the medicine and health  
 If you could do it all again  
 Would you do it all the same?  
 Is there something that you'd tell your former self?  
 There were those that wished  
 They'd spun upon a jukebox  
 There were pirates who had never seen the sea  
 But the one recurring theme  
 The one recurring dream they had  
 Was to be whatever they wanted to be

[Refrão]

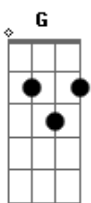

To be Pyotr Tchaikovsky  
 To be free like everyone else  
 There will be no flags to warn me  
 'Cause I just want to be myself

( G Cadd9 D )  
 ( G Cadd9 D )

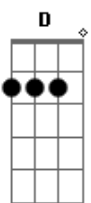

[Segunda Parte]

You'll let telephone in by a region  
 Is there any advice that you could give?  
 When you know you're not like them  
 Do you know La Varsovienne?

I know that I am living  
 But can you show me how to live  
 [Refrão]  
 And the Holy Roman Army  
 Said your heart beats like everyone else  
 You don't need no flags to tell you who you are  
 I just want to be myself  
 Lalala laaaa lalala laaaa lalala laaaa  
 Lalala laaaa lalala laaaa lalala laaaa  
 Lalala laaaa lalala laaaa lalala laaaa  
 Lalala laaaa lalala laaaa lalala laaaa  
 [Refrão]  
 There's an aura that surrounds me  
 There's a different kind of wealth  
 And I don't need flags to know  
 you're really something  
 And I just love you for yourself  
 Oh, I just love you for yourself  
 ( G Cadd9 D )  
 Lalala laaaa lalala laaaa lalala laaaa  
 Lalala laaaa lalala laaaa lalala laaaa  
 Lalala laaaa lalala laaaa lalala laaaa
