

# Coldplay - Fun

Tom: C

Intro: F G Em7 F

I know it's over before she says  
 I know the falls that the water face  
 I know it's over  
 An ocean awaits for a storm  
 The sun on snow, rivers in rain  
 Crystal ball can foresee a change  
 And I know it's over, a parting of ways  
 And it's done  
 But didn't we have fun?  
 Don't say it was all a waste  
 Didn't we have fun  
 Oh ah ooh ooh ooh  
 From the top of the world  
 The top of the waves  
 We said forever, forever always  
 We could have been lost  
 We would have been saved  
 Oh ah, ooh ooh ooh  
 Now we're stopping the world  
 stopping its spin  
 but come on don't give up don't say we give in  
 Don't say it's over  
 Don't say we're done

Ah didn't we have fun?

Oh oh oh, oh oh oh

(repete a cifra o resto da música)

I know it's over  
 Before she says  
 'Know someone else has taken your place'  
 'I know it's over'  
 Icarus says to the sun  
 The Sword sinks in  
 Lightning strikes  
 And two force, two forces collide  
 And fight til it's over  
 Fight til it's done  
 Oh oh oh oh oh  
 But didn't we have fun?  
 Don't say it was all a waste  
 Didn't we have fun?  
 Oh ah ooh ooh ooh

From the top of the world  
 The top of the waves  
 We said forever, forever always  
 We could have been lost,  
 We would have been saved  
 Oh AH ah ah ah  
 Now we're stopping the world  
 Stopping in its tracks but  
 Nothing's too broken to find a way back  
 So before it's over  
 Before you run  
 Ah ah  
 Didn't we have fun?

Cause you and me we were always meant to  
 Always meant to be  
 We were always meant to always meant to

You and me we were always meant to  
 Always meant to be

Wooh ooh ooh ooh oo ooh  
 Ooh ooh ooh ooh ooh  
 oh oh didn't we have fun?

But then  
 Maybe we could again
