

Coldplay - Fun

```
Intro: 4x: F G Em F
I know it's over before she says
I know the falls that the water face
I know it's over an ocean awaits for a sto_
                                              orm
The sun on snow, rivers in rain
Crystal ball can foresee a change
And I know it's over, a parting of ways
      Em F
and it's do____one F G
But didn't we have fun?
  Em
Don't say it was all a waste
F G Didn't we have fun?
 Em F
Oh ah ooh ooh ooh
From the top of the world
The top of the waves
         Em
We said forever, forever always
We could have been lost
We would have been saved
Oh ah, ooh ooh ooh
Now we're stopping the world
stopping its spin
but come on don't give up don't say we give in
Don't say it's over
Don't say we're done
Ah didn't we have fun?
 G Em F
U____uh u___uh F G Em F F U___uh Ah didn't we have fun?
I know it's over before she says
        Fm
"Know someone else has taken your place"
"I know it's over" G Em F
                                                             F G Em F
F G Em F
But then
Icarus says to the su____un
The Sword sinks in
                                                              Maybe we could again
```

Acordes

```
Lightning strikes
And two force, two forces collide
And fight til it's over
Fight til it's done
Oh oh oh oh
But didn't we have fun?
 Em
Don't say it was all a waste F G
Didn't we have fun?
Em F
Oh ah ooh ooh ooh
From the top of the world
The top of the waves
        Em
We said forever, forever always
We could have been lost
We would have been saved
Oh ah, ooh ooh ooh
Now we're stopping the world
Stopping in its tracks but
             Em
Nothing's too broken to find a way back
So before it's over
Before you run
Ah didn't we have fun?
  F G
Cause you and me we were always meant to
     F G
Always meant to be____e
We were always meant to always meant to
F G Em
You and me we were always meant to
Always meant to be___
F G Em F
Wooh ooh ooh wooh oo ooh
          Em
Wooh ooh ooh didn't we have fun?
F G Em F
Wooh ooh ooh wooh oo ooh
F G Em
Wooh ooh oh didn't we have fun?
```
