

Coldplay - Ghost Story

[Verse I]

Maybe I'm just a ghost
 Disappear when anybody's close
 Go through you when you travel
 Travel over near
 Maybe I'm just a ghost
 Emptied by 'em, anybody knows
 Maybe I'm on a rose
 Or am I even here?

[Chorus]

Yeah
 Every time I try to walk through walls
 More walls appear
 What's the point in feeling love for you
 When you don't believe I'm here?
 What's the point in trying to raise your voice
 If no one ever hears?
 Every time I try to pull you close
 You disappear
 D D C G
 D D C G

[Verse II]

Maybe I'm a ghost
 Just a whisper in a perfect smoke
 A secret that nobody knows

No one will ever hear
 Oh, maybe I'm a ghost
 Specter of the wrong cause
 Fallen out of rose
 Something people fear

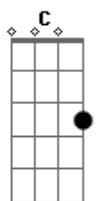

[Chorus]

Yeah
 And every time I find I'm off the walls
 It's all becoming clear
 What's the point in feeling love for you
 When you don't believe I'm here?
 What's the point in saying 'Rescue me!'
 If no one ever hears?
 Every time I try to pull you close
 You disappear
 Every time I try to pull you close
 You disappear
 D D C G (4x)
 D And every time I find I'm off the walls
 It's all becoming clear
 Every time I try to pull you close
 You disappear
 Every time I try to pull you close
 You disappear
