Broken into two  
Dbm D Gbm E Dbm  
Still I call it magic, when I'm next to you

D  
And I don't, And I don't, And I don't, And I don't  
Gbm  
No I don't, it's true  
E  
I don't, No, I don't, No, I don't, No, I don't  
Dbm D  
Want anybody else but you

I don't, No I don't, No I don't, No I don't  
Dbm D  
Want anybody else but you

(D Gbm E )  
Ooh

Dbm D  
Call it magic  
Gbm E  
Cut me into two  
Dbm D Gbm E  
And with all your magic, I disappear from view  
Dbm D Gbm E  
And I can't get over, can't get over you  
Dbm D  
Still, I call it magic  
Gbm E Dbm

Such a precious truth

D  
And I don't, And I don't, And I don't, And I don't  
Gbm  
No I don't, it's true  
E  
I don't, No, I don't, No, I don't, No, I don't  
Dbm D  
Want anybody else but you

D  
I don't, No I don't, No I don't, No I don't  
Gbm  
No I don't, it's true  
E  
I don't, No I don't, No I don't, No I don't  
Dbm D  
Want anybody else but you

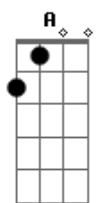

D Gbm E Dbm  
Wanna fall, I fall so far  
D Gbm E  
I wanna fall, fall so hard

Dbm D  
I call it magic  
Gbm E Dbm  
And I call it true  
D Gbm E Dbm  
Call it ma ma ma magic

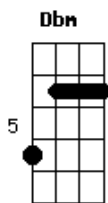

(D Gbm E )  
Ooh

Dbm D  
And if you were to ask me  
Gbm E  
After all that we've been through  
Dbm D  
"Still believe in magic?"  
Gbm E  
Well yes, I do  
Dbm D  
Oh yes, I do  
Gbm E  
Yes, I do  
Dbm D  
Oh yes, I do  
Gbm E  
Of course I do
