

# Coldplay - Only Superstition

Tom: C

Am F  
A cardboard head

Am F  
I see has found its way to me,  
Am F  
It's old and it's old and it's old  
Am F  
Making me cr\_\_y.  
Am F  
I sleep but I will not move,  
Am F  
Too scared to leave my room  
Am F Am F  
But I won't be defeated, oh no.

F G F  
What if cards don't go my way?  
And it's sure to spoil my day.  
G F  
But in voices loud and clear

G  
you say to me "it's only superstition.  
G F Em G  
It's only your imagination,  
G F Em  
It's only all of the things that you fear

Em G  
and the things from which you can't escape."

Am F  
Keep clean for the thousandth time  
Am F  
Stand still and wait and line.  
Am F  
Some numbers are badder than others, oh no.

F G F  
What if cards don't go my way?  
And it's sure to spoil my day.  
G F  
But in voices loud and clear

G F Em G  
you say to me "it's only superstition.  
G F Em G  
It's only your imagination,  
G F Em  
It's only all of the things that you fear

Em G F  
and the things from which you cannot expect."

F G Em  
Am G  
But it's making me cry , and it's making me cr\_\_y  
F G Em Am  
And I'm slipping away and I'm slipping aw\_\_ay

F Am G F  
It's only superstition, only your imagination  
Am G F  
It's only superstition, only superstition
