

# Coldplay - Speed Of Sound

Tom: D

Intro: A Em Em D (x2)

A Em7  
How long before I get in

D  
Before it starts, before I begin

A Em7  
How long before we decide

D  
Before I know what it feels like

A Em7  
Where to? Where do I go?

D  
If you've never tried then you'll never know

A Em7  
How long do I have to climb

D  
Up on this side of this mountain of mine

(Intro)

A Em7  
Look up, I look up at night

D  
Planets are moving at the speed of light

A Em7  
Climb up, up in the trees, every chance that you get

D  
is a chance you seize

A Em7  
How long am I gonna stand

D  
With my head stuck under the sand?

A Em7  
I start before I can stop

D  
Before I see things the right way up

G A Bm7  
All that noise, all that sound

G A Bm7  
All those places that I have found

G Bm  
And birds go flying at the speed of sound

D G  
To show you how it all began

G Bm  
Birds came flying from the underground

Gbm G  
If you could see it then you'd understand

Gbm G  
Ah, when you see it then you'll understand

If you could see it then you'd understand  
(Intro)

A Em7  
Ideas that you'll never find

D  
Or the inventors could never design

A Em7  
The buildings that you put up

D  
Japan and China... All lit up

A Em7  
The sign that I couldn't read

D  
Or the light that I couldn't see

A Em7  
Some things you have to believe

D  
But others are puzzles, puzzling me

G A Bm7  
All that noise, all that sound

G A Bm7  
All those places that I have found

G Bm  
And birds go flying at the speed of sound

D G  
To show you how it all began

G Bm  
Birds came flying from the underground

Gbm G  
If you could see it then you'd understand

Gbm G  
Ah, when you see it then you'll understand

( D ) G|---12~-----11\9/11~-----|

G A Bm  
All those signs I knew what they meant

E  
Some things you can't invent

G A Bm  
Some get made, and some get sent

E  
Uh Uh

G Bm  
And birds go flying at the speed of sound

D G  
To show you how it all began

G Bm  
Birds came flying from the underground

Gbm G  
If you could see it then you'd understand

Gbm G  
Ah, when you see it then you'll understand ( G )
