

Coldplay - Spies

Tom: E

[Intro:] Dbm

Gbm E
I awake to find no peace of mind,
I said 'how do you live as a fugitive?'
Down here where I cannot see so clear
I said, what do I know?
Show me the right way to go,
And the spies came out of the water,
But you're feeling so bad cos you know,
But the spies hide out in every corner,
But you can't touch them though,
Cos they're all spies
They're all spies
I awake to see that no one is free,

We're all fugitives, look at the way we live
Down here, I cannot sleep from fear no
I said, which way do I turn?
Oh I forget everything I learn,
And if we all hide here,
They're going to find us,
If we don't hide now,
They're going to catch us where we sleep,
And if we don't hide here,
They're going to find us
And the spies came out of the water,
But you're feeling so good cos you know,
And those spies hide out in every corner,
And they can't touch you no,
Cos they're just spies
They're just spies
