 As much as I could, as much as I tried  
**Dm**  
 I just couldn't seem to find the light  
**Dm** **Dm7**  
 The trees for the wood, the wars left and right  
**G7**  
 Umbrellas with the rain in  
**C** **Am7** **C**  
 I turn on the news, the news has turned off  
**Dm**  
 All the people that the world forgot  
**Dm** **Dm7**  
 The blues get the blues, but the view from the top  
**G7**  
 Is the ocean in a drop

[Refrão]

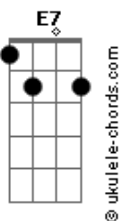

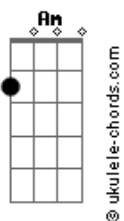

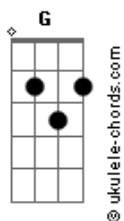

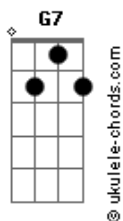

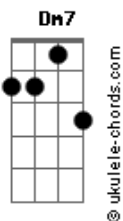

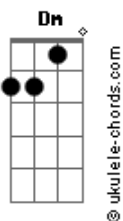

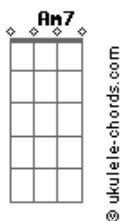

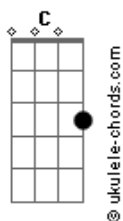

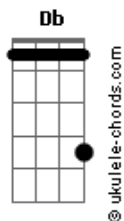

**Dm7**  
 Whatever happens to

 Everything that we go through?

 I see you got your new tattoo

Maybe we could share the rain

 Maybe we could dance again
