

Coldplay - Up With The Birds

Tom: D

The birds they sang, break of day
 "Start again" I hear them say
 It's so hard to just walk away
 The birds they sang, all a choir
 "Start again", a little higher
 It's a spark in a sea of grey

The sky is blue
 Dreamed that lie 'til it's true
 Then takin' back the punch I threw
 My arms turn wings
 Oh, those clumsy things
 Send me up to that wonderful world

And then I'm up with the birds

(D)
 D D2 (x4)

Might have to go where they don't know my name
 Float all over the world just to see her again
 And I won't show or feel any pain
 Even though all my armour might rust in the rain

A simple plot, but I know one day
 Good things are coming our way
 A simple plot, but I know one day
 Good things are coming our way
 Oh, yeah...
