Was a long and dark December
 From the rooftops, I remember
 There was snow, white snow

Clearly I remember
 From the windows, they were watching
 While we froze down below

When the future's architected
 By a carnival of idiots on show
 You'd better lie low

If you love me
 Won't you let me know?

(Dbm)

Was a long and dark December
 When the banks became cathedrals
 And a fox became God

Priests clutched onto bibles

Hollowed out to fit their rifles
 And a cross was held aloft

Bury me in armour
 When I'm dead and hit the ground
 My nerves are poles that unfroze

And if you love me
 Won't you let me know?

(Dbm)

I don't want to be a soldier
 with the captain of some sinking ship
 with stow, far below

So if you love me
 Why'd you let me go?
 (Dbm)

I took my love down to the violet hill
 There we sat in snow
 All that time she was silent still
 So, if you love me, won't you let me know?
 If you love me, won't you let me know?
