Was a long and dark December  
 From the rooftops, I remember  
 There was snow, white snow

Clearly I remember  
 From the windows, they were watching  
 While we froze down below

When the future's architected  
 By a carnival of idiots on show  
 You'd better lie low

If you love me  
 Won't you let me know?

( Dbm )

Was a long and dark December  
 When the banks became cathedrals  
 And a fox became God

Priests clutched onto bibles

Hollowed out to fit their rifles  
 And a cross was held aloft

Bury me in armour  
 When I'm dead and hit the ground  
 My nerves are poles that unfroze

And if you love me  
 Won't you let me know?

( Dbm )

I don't want to be a soldier  
 with the captain of some sinking ship  
 with stow, far below

So if you love me  
 Why'd you let me go?  
 ( Dbm )

I took my love down to the violet hill  
 There we sat in snow  
 All that time she was silent still  
 So, if you love me, won't you let me know?  
 If you love me, won't you let me know?
