

# Coldplay - Violet Hill

Tom: E

Riff 1

Was a long and dark December  
 From the rooftops I remember  
 There was snow, white snow

Clearly I remember from the windows  
 They were watching while we froze  
 Down below

When the future's architected  
 By a carnival of idiots on show  
 You'd better lie low  
 If you love me, won't you let me know?

Was a long and dark December  
 When the banks became cathedrals  
 And the fox became God

Priest clutched onto bibles  
 Hallowed out to fit their rifles

And the cross was held aloft  
 Bury me in armour  
 When I'm dead and hit the ground  
 My nerves are poles that unfroze  
 And if you love me, won't you let me know?

[Solo]

I don't wanna be a soldier  
 who the captain of some sinking ship  
 would stow, far below  
 So, if you love me, why'd you let me go?

I took my love down to Violet Hill  
 There we sat in snow  
 All that time she was silenced still  
 So, if you love me, won't you let me know?  
 If you love me, won't you let me know?
