

Coldplay - What if

Tom: D

Gbm A Bm
 what if there was no light
 E D
 nothing wrong, nothing right
 Gbm A Bm
 what if there was no time
 E D
 and no reason or rhyme
 D E
 what if you should decide
 Gbm D E
 that you don't want me there by your side
 Gbm D E
 that you don't want me there in your life

Gbm A Bm
 what if I got it wrong
 E D
 and no poem or song
 Gbm A Bm
 could put right what I got wrong
 E D
 or make you feel I belong
 D E
 what if you should decide
 Gbm D E
 that you don't want me there by your side
 Gbm D E
 that you don't want me there in your life

D Bm
 o o oh that's right
 Gbm E
 let's take a breath and jump over the side
 D Bm
 o o oh that's right
 Gbm E
 how can you know it when you don't even try

D Bm
 o o oh that's right
 Gbm A Bm
 every step that you take
 E D
 could be your biggest mistake
 Gbm A Bm
 it could bend or it could break
 E D
 that's the risk that you take
 D E
 what if you should decide
 Gbm D E
 that you don't want me there in your life
 Gbm D E
 that you don't want me there by your side

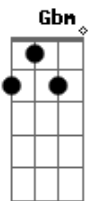

D Bm
 o o oh that's right
 Gbm E
 let's take a breath jump over the side
 D Bm
 o o oh that's right
 Gbm E
 how can't you know it when you don't even try
 G D E
 o o oh that's right

D Bm
 o o oh that's right
 Gbm E
 let's take a breath jump over the side
 D Bm
 o o oh that's right
 Gbm E
 they say you know that darkness always turns into light
 G D E Gbm
 oh-oh-oh that's right
