tom:

Ab (forma dos acordes no tom de G )

Capostrate na 1ª casa  
Intro: G D C D

[Primeira Parte]

I was out with the boys, catchin' up at a neon light  
Didn't know till we walked in it was karaoke night  
She was in a circle of girls, chasin' a shot with a lime  
She was laughin', they were darin' her to get on the mic  
One of 'em walked up and turned in her name  
Next thing I knew, man, she was up on the stage, singin'

[Refrão]

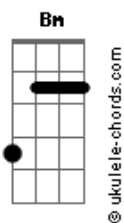

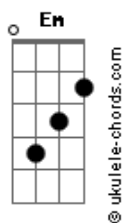

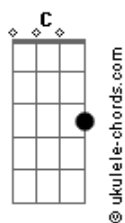

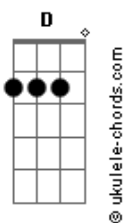

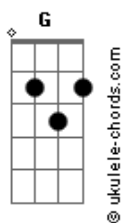

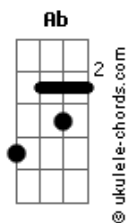

Heads Carolina, tails California  
Maybe she'd fall for a boy from South Georgia  
She's got the bar in the palm of her hand  
And she's a '90s country fan like I am  
Hey, I got a Chevy, she can flip a quarter  
I'd drive her anywhere from here to California  
When this song is over, I gotta find her  
'Cause she had me at heads Carolina

( G D C D )

[Segunda Parte]

Yeah, she knew every word by heart, didn't need no screen, no  
I was raisin' my glass up for her, I saw her smilin' at me,  
yeah  
She had me down in the front by the end of verse two

## Acordes

Like there wasn't no one else in the room, we were singin'

Yeah, I bought her a round and we talked till the lights came on  
I still see that girl every time I hear that song
