

Colouring - Everything Has Grown

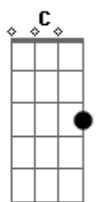

tom:
 F
 And everything has grown
 Am Bb
 Skyline changes
 F C
 And time, where've you flown?
 F Bb F
 Now all these years have passed us by
 Bb F
 And every tear has left your eyes
 C
 But how we try
 Am Bb
 It was never easy
 F Bb F
 But now this tapestry is sewn
 Bb F
 Are you at peace with every turn?
 C
 Do you feel whole?
 F Bb
 Now everything has grown
 (F C F)

(Bb Dm C)
 F Bb
 And I hope you're better off
 F Bb
 And you're hardly, never soft
 F Bb
 Every sky's done healing
 F C Bb C
 And you found your rhythm
 (Bb F C F)
 (Bb Dm C Dm)
 (Bb F C F C)
 F Bb
 And I hope you're better off
 F Bb
 And you're hardly, never soft
 F Bb F
 Every sky's done healing
 C Bb F
 And you found your rhythm
 And I hope you're better off
 And I hope you're better off
 And I hope you're better off
 And I hope you're better off
 And I hope you're better off
 And I hope you're better off
