

# Colton Dixon - Where My Heart Goes

Tom: C

Where <sup>C</sup> does my heart go; When I have a choice to make

Who do I follow; When my character's at stake

Will I run from You or to Your arms

Will I fight to be right where You are

This life is pulling me a million different ways

Chorus:

This is my song that I sing forever

You are my home; You are what I treasure

I want You to be where my heart goes.

And if it all breaks, if it goes to pieces

You are the One that I will believe in

I know You won't ever let me go (You won't let me go)

I want You to be where my heart goes.

There's no denying what this world will promise me

But I have decided You are the only thing I need

So take everything, take everything; Take everything!

Chorus:

Runs to, clings to. Jesus, I so need you.

I want You to be where my heart go- -es

Chorus:

End: F Am G F

I want You to be where my heart goes?
