[Primeira Parte]

Sponsored by Billabong surfer girl
 Type a girl I like feel up on in the water
 Really wanna rock her boat like a
 Hurricane in a perfect storm Lawd
 Ask her where she gone away to
 Said a Haleiwa
 Said she love the North Shore
 Bikini top
 Black scotts
 And them Board Shorts
 Paddle Out Paddle Out

[Ponte]

Can I wade in your water
 Can I wade in your water
 Can I wade in your water
 Until I catch your wave
 Lawd

Can I wade in your water
 Can I wade in your water
 Can I wade in your water
 Until I catch your wave
 Yeah

[Segunda Parte]

Like the sun I can feel her warmth Yeah
 Heat wave through the winter months Oh

[Ponte]

Can I wade in your water
 Can I wade in your water

 Lawd

Can I wade in your water
 Can I wade in your water
 Can I wade in your water
 Until I catch your wave

[Ponte]

When the sun fades
 And I float your way
 I will stay the night
 Just to catch your wave

[Chorus]

Can I wade in your water
