

Comunidade Católica Face de Cristo - Sonho Encantador

tom:
G

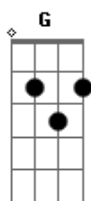

Num sonho encantador
 Eu pude ouvir pulsar
 Um pequenino coração
 Som tão lindo assim
 Ninguém jamais ouviu
 E ao compasso do pulsar
 Sob a luz do amor de Deus
 Pude ouvir as voz dos anjos

Nenhuma voz se calou
 E do céu só se ouvia cantar
 Glória, o pequeno Rei nasceu
 E tudo o que existe canta
 Glória, ao menino Deus que essa noite nasceu
 Glória, o pequeno Rei nasceu
 E tudo o que existe canta
 Glória, ao menino Deus que essa noite nasceu
