

# Comunidade Católica Face de Cristo - Sonho Encantador

tom:  
G

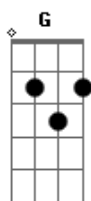

Num sonho encantador  
 Eu pude ouvir pulsar  
 Um pequenino coração  
 Som tão lindo assim  
 Ninguém jamais ouviu  
 E ao compasso do pulsar  
 Sob a luz do amor de Deus  
 Pude ouvir as voz dos anjos

Nenhuma voz se calou  
 E do céu só se ouvia cantar  
 Glória, o pequeno Rei nasceu  
 E tudo o que existe canta  
 Glória, ao menino Deus que essa noite nasceu  
 Glória, o pequeno Rei nasceu  
 E tudo o que existe canta  
 Glória, ao menino Deus que essa noite nasceu
