

# Comunidade Católica Shalom - Fez Nascer a Paz

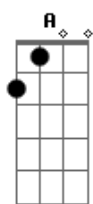

Tom: A

Intro: Dbm D Bm E

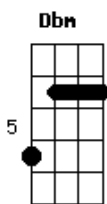

O mundo culpado jazia nas trevas  
 Até que o sol de Deus brilhou  
 O homem ferido, já de tantas quedas  
 Um reto caminho encontrou  
 O rei do céu, potente senhor  
 Se vestiu de humildade

Verbo, menino, esperança  
 Amor é criança que se dá a todos  
 Por todos, com todos  
 E fez nascer a paz onde faltava  
 E fez cair o que nos separava  
 O homem e Deus hoje podem cantar  
 A mesma melodia, entoar uma mesma canção.  
 ( Dbm D Bm E )
